Understanding of Scope, Deliverables Approach, Methodology & Past Success Stories (to be evaluated on the basis of presentation)	60
Total Marks	100

17. Selection Criteria

17.1. Evaluation of Technical Proposal

Ts = Total score obtained by the bidder based on document and details submitted.
Bidder with at least 60 score will only be eligible for financial evaluation.

17.2. Evaluation of Financial Proposal

The bidder who has quoted the lowest price will be assigned a score of 100 in the financial bid. The other bidders will be allotted score relative to the score of bidders with the lowest quote as below:

$$F_s = 100 * F_l / F$$

Where: F_s = The financial score of the Financial Proposal being evaluated, F_l = The price of lowest priced Financial Proposal

F = The quoted price of Financial Proposal under consideration

17.3. Final Bid Selection Method

The selection of the agency will be based on the maximum accumulated points in collaboration of weight associated with technical aspect i.e. Technical Proposal which will be 60% and that associated correspondingly with cost i.e. Financial Proposal which will be 40%.

The formula will be as follows $Stf = (Ts/100) \times 60 + (Fs/100) \times 40$.

BSBB, at its sole discretion, shall have the right to interpret various aspects of the evaluation criterion as it deems fit. The decision of on such interpretation and awards of marks shall be final and binding on all bidders.

The contract would be issued to the vendor with best Final Score. In case of a tie in the Final Score, the bidder with the higher Technical Score in the presentation and the interview, will be first invited.

17.4. Earnest Money Deposit: Bidders are required to submit an Earnest Money Deposit (EMD) as per Gem rule. It must be delivered in form of Demand Draft/Bank Guarantee in favor of The Secretary, Bihar State Biodiversity Board. The EMD of unsuccessful bidders will be returned to them after the award of the contract. Earnest Money Deposit for the purpose of tender will earn no interest.
